

The institution has been extending higher education to remote and backward regions, integrating professional ethics, gender equality, human values, environment, and sustainability into the curriculum through various organized activities.

Professional Ethics and Human Values: The institution hosts activities such as commemorations of eminent personalities, Yoga Day, Blood Donation Camps, COVID-19 awareness campaigns, etc.

Gender Sensitivity and Equality:

1. Legal advisors, doctors, and psychologists are periodically invited to provide guidance to students.
2. International Women's Day is annually observed.
3. To facilitate the reporting of concerns and suggestions, a complaint box is installed on campus, promoting a written approach to address issues and prevent disturbances.

Human Values:

The institute annually observes the following celebrations:

1. Ahinsa Day (2nd October)
2. Swami Vivekanand and Mata Jijau Jayanti

Environment and Sustainability:

The institution includes Environmental Studies as a credit-based subject at the undergraduate level.

Additionally, a "Tree Plantation" drive is conducted every 1st of July, involving organized plantations on campus or in nearby areas to contribute to environmental preservation.
